Explain a Work Process to a New Team Member

Explain | Steps | Information Briefing

Name: _____ Date: _____

SLIDE 02 Today's goal

By the end of this lesson, I can:

Explain a work process to someone new: give the steps in order with a reason or an example, check they understood, and answer a simple question.

WHO	You work in the office of a small company in JB that sells office supplies. Siti from HR is joining your team for three months to help with orders before Chinese New Year.
SITUATION	It is her first morning. Before she starts, Mr. Tan asks you to explain how an order works. The team gets about 20 orders a day by WhatsApp or email, for example a school that orders 50 boxes of A4 paper.
NEED	The steps: key in every order in the order form on the day it comes in; check the stock sheet (not enough stock? Call the customer first); send the form to Mei Ling by 4 p.m. so she can invoice the same day. Delivery: 3 working days.
GOAL	Explain the three steps in order with a reason or an example, check that Siti has understood, and answer her questions.

SLIDE 03 Try it first

Siti asks: "Hi! I'm helping with orders from today. So how does an order work here?" Say something for 30 seconds. Then note what you said.

SLIDE 04 A good message

Kumar's answer. Mark where each part starts.

First, you key in every new order on the day it comes in. For example, a school orders 50 boxes of A4 paper by WhatsApp, and you put that in the order form. Then you check the stock sheet, because we can't promise a customer something we don't have. After that, you send the form to Mei Ling by 4 p.m., so she can make the invoice the same day. Delivery takes three working days. Is that clear? People often ask what to do if we don't have enough stock. If that happens, you call the customer first. Any other questions?

1 STEP 1 _____

2 STEP 2 _____

3 STEP 3 _____

4 CHECK _____

SLIDE 05 Organise it

Ali explains the new office printer to a new colleague. Order: Step 1 → Step 2 → Step 3 → Check.

- ☐ Is that clear? Try it once now, and I'll watch.
- ☐ First, send your document to the printer called Office 2. It's the one next to the pantry.
- ☐ After that, choose your document on the screen and press Print. Your pages come out in a few seconds.
- ☐ Then tap your staff card on the printer, because it only prints when you're standing there.

Write the letter: **1** = Step 1 · **2** = Step 2 · **3** = Step 3 · **4** = Check

A process is the same every time, so use the Present Simple. Add 'have to' for a must and 'If …, you …' for a special case.

An order **comes** in by WhatsApp. Mei Ling **makes** the invoice.

First, you **key in** the order. **Then** you **check** the stock.

Information Briefing

The speaker explains a process from a mixed-up card. The listener, who is new to it, writes the three steps in order in the note, asks one question, writes the answer and says the steps back.

1. Speaker: one quiet minute. Number the three steps on your card 1, 2, 3. The line with a '?' answers the question.
2. Round 1, press 3:00: explain in order, one reason, then check. Listener: fill in the note, ask, say the steps back.
3. Round 2, press 2:00: listeners move to the next seat; same card, shorter. Round 3, 2:00: move again, workbook shut.
4. Swap roles in the same seats. One quiet minute: plan a process from your own work or life. Again 3:00, 2:00, 2:00.

SLIDE 13 Transfer

A friend wants to join your gym. Explain how to join: the steps in order, one reason or example, then check that your friend understood. No gym? Explain how to sign up for a library card, a shop's member card or an e-wallet.

First, you … · Then …, because … · After that, … · Is that clear?

You are Mei Ling and need the company car for the first time. Write the steps in order. Ask: 'What if the tank is almost empty?' or your own question; write the answer. Say your steps back.

Card 2 · A customer returns a faulty item

You are new at the front counter, and a customer comes back with something. Write the steps in order. Ask: 'What if there is no receipt?' or your own question; write the answer. Say your steps back.

SLIDE 11

Speaker cards: fold or cut

Only the speaker looks at a card. The listener keeps this page folded.

Card 1 · Booking the company car

On the day: get the key from reception · After the trip: put the key back, write the km · Book in the car calendar (name + time) 1 day before, because 8 people share 1 car · Tank under half? Fill it, keep the receipt

Card 2 · A customer returns a faulty item

Faulty: fill in the return form, because the supplier pays us back only with it; give a new one · Receipt OK: test the item in front of the customer · Check the receipt: only within 14 days · No receipt? Call Mr. Tan

Card 3 · Booking the condo badminton court

Collect the key at the guardhouse, 15 min before · Office says OK: pay RM10 an hour by e-wallet, send the screenshot · WhatsApp the management office 3 days before, because weekends fill up fast · Cancel under 1 day? You still pay
