Explain Why a Schedule Changed

Explain | PPF | Fix the Misunderstanding

Name: _____ Date: _____

SLIDE 02 Today's goal

By the end of this lesson, I can:

Explain why a meeting, shift or delivery changed: correct the old time, give the reason, say what the other person needs to do, and check they understood.

WHO You work in the office. Kumar, from sales, was on leave on Monday, so he missed Mr. Tan's email.

SITUATION The monthly sales meeting was on Friday at 9 a.m. On Monday, Mr. Tan moved it to Thursday at 3 p.m., because he has to fly to Penang on Friday morning. It is now Tuesday, and Kumar still thinks it is on Friday.

NEED Kumar presents the sales figures at the meeting. Mei Ling is going to print them on Thursday afternoon, so she needs them by 12 noon on Thursday. The room is the same.

GOAL Correct the old time, explain why it changed and what Kumar needs to do now, and check that he has the new plan right.

Old plan
- Sales meeting: Friday, 9 a.m.
- Kumar still thinks this

New plan
- Thursday, 3 p.m. · same room
- Why: Mr. Tan flies to Penang on Friday morning
- Figures to Mei Ling by 12 noon on Thursday

SLIDE 03 Try it first

Kumar asks: "Hi, I'm back from leave! See you at the sales meeting on Friday at 9, okay?" Say something for 30 seconds. Then note what you said.

SLIDE 04 A good message

Siti's answer. Mark where each part starts.

Kumar, the sales meeting isn't on Friday at 9 any more. On Monday, Mr. Tan moved it, because he has to fly to Penang on Friday morning. So now it's on Thursday at 3 p.m., one day earlier. The room is the same. This changes things for you too. For example, Mei Ling needs your sales figures by 12 noon on Thursday. She is going to print them in the afternoon. Is that clear? Thursday at 3, and your figures by 12. Can you tell me today if that works for you?

P PAST · THE OLD PLAN AND WHY

P PRESENT · THE NEW PLAN

F FUTURE · WHAT IT MEANS FOR YOU

! CHECK · WHAT I NEED

SLIDE 05 Organise it

Ali tells Mei Ling that a system update has moved. Order: Past → Present → Future → Check.

- [ ] We planned the system update for Saturday, but the IT company cancelled because their engineer is sick.
- [ ] So now the update is on Wednesday night, from 8 p.m. to midnight.
- [ ] This affects your work on Wednesday. For example, you can't send invoices after 8 p.m.
- [ ] Does that work for you? Tell me today if you need to work late on Wednesday.

Write the letter: **P** = Past · the old plan and why · **P** = Present · the new plan · **F** = Future · what it means for you · **!** = Check · what I need

SLIDE 08 Time control

Circle the right form. Why?

1. On Monday, Mr. Tan _____ the meeting to Thursday. (What happened, with a time)
   ○ moving ○ moved ○ move
2. The meeting _____ on Friday any more. (Correcting the old plan)
   ○ doesn't ○ isn't ○ not
3. So now the meeting _____ on Thursday at 3 p.m. (The new plan, now)
   ○ being ○ be ○ is
4. Mei Ling _____ print the figures on Thursday afternoon. (What will happen next)
   ○ going to ○ is going to ○ is go to

SLIDE 09 Old plan → new plan

To correct old information, say the old plan with was or isn't … any more, then the new plan with now. Use from … to … for the change.

The meeting **was** on Friday, but **now it's** on Thursday.

It **isn't** on Friday **any more**.

Mr. Tan **moved** it **from** Friday **to** Thursday.

It's **one day earlier**, so Mei Ling **will need** your figures by 12.

SLIDE 11 Fix the Misunderstanding

The listener still has the old plan. The speaker corrects it, says why and what to do, and checks. The listener writes a corrected note.

1. Speaker: say your card number. Listener: write that card's old plan in your note, then read its Start line aloud.
2. Speaker: first say what is wrong ('It isn't on … any more'), then why → new plan → what to do. Then check.
3. Round 1 is 3:00. Listener: cross out the old plan, write New plan / Why / I must, read it back. Move one seat.
4. Round 2 is 2:00, shorter. Round 3 is 1:00, frames closed: speaker's workbook turned over. Then swap roles.

SLIDE 12 Respond

Kumar asks. Write a short answer to one of these.

1. Sorry, why did Mr. Tan move it?
2. So what time do you need my figures?
3. What happens if I'm with a customer on Thursday afternoon?

Start with: **Because he … · By … on …, please. Mei Ling … · I'll check with Mr. Tan and tell you by …**

SLIDE 13 Transfer

Your mother's birthday dinner has changed. It was on Saturday at 7 p.m.; now it's Sunday lunch at 12, because the restaurant is full on Saturday. Your brother still thinks it's Saturday. He ordered the cake for Saturday afternoon, so now he needs to call the shop and collect it on Sunday at 10 a.m. Explain the change and what he needs to do.

The dinner isn't on … any more. · It changed because … · So now it's … · This means you need to …

SLIDE 14 Did I do it?

Be honest. Tick what you did in the task.

- [ ] Starts from what the listener believes: says the old plan is not right any more, then gives the new one.
- [ ] Gives the reason for the change and what it means for the listener.
- [ ] Checks understanding; the listener's note has the new plan right.
