Tell About an Event You Organised or Attended

Narrate | PPF | Story Interview

Name: _____ Date: _____

SLIDE 02 Today's goal

By the end of this lesson, I can:

Tell someone about an event you organised or went to: when, where and who, what happened before and on the day, how it ended, and one thing for next time.

WHO You work in admin at a small company in JB. Last Saturday you and Siti organised the company's annual dinner for 40 staff. Mr. Tan was in Penang for work and missed it.

SITUATION It was at a seafood restaurant in Danga Bay, RM50 a head. A month before, you booked it (Siti paid the RM300 deposit herself) and collected food choices. At 9, during the lucky draw, the microphone stopped; Ali fixed it in ten minutes.

NEED In the end 38 came (two were sick). The bill was RM1,900, RM100 under the RM2,000 budget. Siti's claim for the deposit needs Mr. Tan's signature before the 25th.

GOAL On Monday Mr. Tan asks how it went. Tell him in order: when and where, what you did before, what happened on the night, how it ended, and one thing for next time.

SLIDE 03 Try it first

Mr. Tan asks: "Sorry I missed the annual dinner. I was stuck in Penang. So, how did it go?" Say something for 30 seconds. Then note what you said.

SLIDE 04 A good message

Siti's answer. Mark where each part starts.

Our annual dinner for 40 staff was last Saturday in Danga Bay. A month before, we booked a seafood place there. At 9, during the lucky draw, the microphone stopped. Ali fixed it in ten minutes. In the end, 38 of the 40 came, and the food was great. The bill was RM1,900, so we're RM100 under budget. Next year, I'll test the microphone in the afternoon, before anyone arrives. And let's go back to the same place, because everyone loved the food. One thing is still open: I paid the RM300 deposit myself, so I need you to sign my claim before the 25th.

SLIDE 05 Organise it

Kumar tells Ali about a friend's wedding he went to: what happened → how it ended → next time → still open.

- [ ] Last Sunday my wife and I went to a friend's wedding in Muar. When we arrived at 11, the ceremony was already starting.
- [ ] One thing is still open: I haven't given them our present yet. It's still in my car!
- [ ] In the end, we stayed until 4, and now everyone is sharing the photos online.
- [ ] Next time, I'll leave earlier, because we spent half an hour looking for parking.

Write the letter: **P** = Past · what happened · **P** = Now · how it ended · **F** = Future · next time · **!** = Still open

Story Interview

The speaker tells an event from a mixed-up card. The listener did not go and cannot see the card: they ask 'So, how did it go?', write the story, and say what came first.

1. Round 1 (3:00). Speaker: your card is mixed up. Tell it in order: scene → before → the day → the end → next time.
2. Listener: no card. Start: 'So, how did it go?' Number the note lines as you hear them. Read back: 'You started with …'
3. Round 2 (2:00): listeners move one seat. Same story, shorter, to a new listener. Next column of the note.
4. Round 3 (1:00), frames closed: workbook closed, card face down; key words, no read-back. Swap: tell your own event.

Card 1 · Customer workshop (you organised it)

Card 2 · Charity fun run (you took part)

Card 3 · School reunion dinner (you organised it)

Card 4 · Farewell lunch (you organised it)

SLIDE 12 Respond

Mr. Tan asks. Write a short answer to one of these.

1. Why did only 38 people come?
2. What happened with the microphone?
3. Is there anything you need from me?

Start with: **Because … · It stopped while …, but … · Yes. Could you please … before …?**

SLIDE 13 Transfer

A neighbour asks about a family event you went to or organised: a wedding, a birthday, or an open house at Hari Raya or Chinese New Year. Tell it in order.

It was last … at … · Before the day, we … · While we were …, … · In the end, …

SLIDE 14 Did I do it?

Be honest. Tick what you did in the task.

- [ ] Says when, where and who before the first event.
- [ ] Tells what happened before and on the day in an order the listener can write down.
- [ ] Says how it ended and names one thing for next time or still open.
