SLIDE 02 Today's goal

By the end of this lesson, I can:

Find out when each person can come, recommend one time with a reason and a comparison, and say who will have to change something.

WHO You work in the office with Siti. Mr. Tan wants a one-hour meeting next week about next year's price list, with Kumar (customers), Mei Ling (costs) and Ali (the website).

SITUATION Mr. Tan is free at only two times: Tuesday 10 to 11 a.m. or Thursday 4 to 5 p.m. Each of the other three has one plan next week. The plans are in the box below.

NEED Mr. Tan needs Kumar, Mei Ling and Ali at this meeting. He wants your recommendation today, so that he can send the invite.

GOAL Recommend one of the two times, say why it fits, say who will have to change something, and answer Mr. Tan's questions.

Two times (Mr. Tan is free)

- Tuesday: 10 to 11 a.m.
- Thursday: 4 to 5 p.m.

Their plans next week

- Kumar: seeing a customer in Kluang on Tuesday at 11 · 1½ hours' drive
- Mei Ling: leaving at 4.30 on Thursday for her son's school concert
- Ali: at the warehouse in Kulai on Thursday morning · back by 2 p.m.

SLIDE 03 Try it first

Mr. Tan asks: “So, for the price list meeting: Tuesday at ten or Thursday at four? Which one should I put in the invite?” Say something for 30 seconds. Then note what you said.

SLIDE 04 A good message

Siti’s answer. Mark where each part starts.

We need Kumar, Mei Ling and Ali at this meeting, so I'd recommend Thursday at 4. The main reason is Kumar. On Tuesday he’s seeing a customer in Kluang at 11, so he'll have to leave here by 9.30. Thursday is better for Kumar, and Ali will be back from Kulai by 2. Mei Ling is leaving at 4.30, but if she speaks first, she'll only miss half an hour. So overall, Thursday at 4 is the better time. Mei Ling will just need to give her part first.

O RECOMMENDATION AGAIN

SLIDE 05 Organise it

Ali recommends a time to update every computer in the office. Order: Recommend → Reason → Compare → Again.

- [ ] So if Kumar sends his last orders before 4, Friday is the better time.
- [ ] The main reason is that Friday afternoon is our quietest time, because most orders come in the morning.
- [ ] Monday morning is easier for me, but Mei Ling will be paying the suppliers then.
- [ ] Nobody can work during the two-hour update, so I'd recommend Friday from 4 to 6.

Write the letter: **O** = Need · recommend · **R** = Reason · **E** = Compare · who changes · **O** = Recommendation again

Option Challenge

The recommender asks the listener about their week, recommends one of two times and says who will have to change what. The listener writes a note: the time, why it fits, and who changes what. The listener asks 'Why not the other time?'; the recommender answers in one or two sentences.

1. Round 1 (3:00): say your card number and the two times. Ask the listener about their week. Recommend one time.
2. Listener: say your plan when asked (if not asked, say it after). Fill the note, then ask 'Why not the other time?'
3. Round 2 (2:00): line B moves one seat. Same card, new listener. Ask again; then shorter: time, why, who changes what.
4. Round 3 (1:00), frames closed: the listener says their plan first. Workbook over. Then swap roles, rounds 1–3.

Card 2 · Video call with a customer in Singapore

Card 3 · Welcome lunch for two new staff

Mr. Tan asks. Write a short answer to one of these.

1. **What time will the meeting finish?**
2. **Who will have to change something?**
3. **When will you tell the others?**

Start with: **It will finish at … · … will have to … · I'll tell them …**

SLIDE 13 Transfer

Your family is planning a dinner for your grandmother's 80th birthday next month: Saturday or Sunday, at 7 p.m. Your brother works in Singapore until 6 on Saturdays and needs about 2 hours to get home through the Causeway. Your sister is at a wedding lunch in Melaka on Sunday and will be back at about 7.30. Your grandmother goes to bed at 10. Recommend one day and say who has to change what.

We need …, so I'd recommend … · The main reason is … · … is better than … for … · If …, everyone can come.

SLIDE 14 Did I do it?

Be honest. Tick what you did in the task.

- [ ] Names what the meeting needs and proposes one time.
- [ ] Compares the two times and says why the choice fits each person.
- [ ] Says who will have to change something, and what they will do.
