Share a Trip That Didn't Go to Plan

Narrate | PPF | Experience Sharing

Name: _____ Date: _____

SLIDE 02 Today's goal

By the end of this lesson, I can:

Tell someone about a trip that went wrong, in an order they can follow: the scene, the problem, what you did, how it ended and what you will do next time.

WHO You work in a small company in Johor Bahru. Last Tuesday, you and Kumar flew from Senai airport to Kuching for a customer meeting the next morning at 9.

SITUATION The trip did not go to plan. You were waiting at the gate for the 6 p.m. flight when they announced a three-hour delay. You took off at 9 p.m. and got to the hotel at midnight.

NEED It is Monday morning in the office pantry. Siti asks, 'How was Kuching?' She was not there, so she needs the story in order. Then Mr. Tan asks you a few questions about the trip.

GOAL Tell the story so it is easy to follow: when and where, what went wrong, what you did, how it ended, and one thing you will do next time.

The plan

- Tuesday: 6 p.m. flight, Senai → Kuching
- Wednesday, 9 a.m.: meeting with the customer

What really happened

- At the gate: a three-hour delay
- While you waited: Kumar asked the hotel to keep your room; you had dinner and checked your slides
- Took off at 9 p.m. · hotel at midnight · the meeting went well

SLIDE 03 Try it first

Siti asks: “Morning! You and Kumar were in Kuching last week, right? How was the trip?” Say something for 30 seconds. Then note what you said.

SLIDE 04 A good message

Kumar’s answer. Mark where each part starts.

Last Tuesday, my colleague and I had a 6 p.m. flight from Senai to Kuching for a customer meeting. While we were waiting at the gate, they announced a three-hour delay. First, I asked the hotel to keep our room. Then we had dinner and checked our slides. In the end, we got to the hotel at midnight. Next time, I’m going to book an earlier flight, so a delay is not a big problem. Now it’s a funny story, and the meeting at 9 went well. What about you? What was your worst trip?

SLIDE 05 Organise it

Mei Ling tells Siti about a family drive to Melaka. Put her sentences in order.

- [ ] Next time, I'm going to check the tyres before a long drive.
- [ ] First, my husband changed the tyre. Then we found a tyre shop. In the end, we arrived at 4, not 1.
- [ ] Last school holidays, we were driving to Melaka when we got a flat tyre on the highway.
- [ ] Now the kids call it 'the tyre trip'! What about you? What was your worst trip?

Write the letter: **P** = The scene · what went wrong · **P** = How I coped · the end · **F** = Next time · **!** = Now · your turn

Experience Sharing

Tell the trip on your card as your own story, in order. Your partner cannot see your card: they fill the note, star what they had to ask for, and say the story back. Then your partner tells theirs.

1. Quiet time (2:00): the facts on your card are mixed up. Number them in story order, scene first.
2. Round 1 (3:00 each): listener asks 'How was your trip?' and fills the note. Star (*) each line you had to ask for.
3. Listener: say the story back from your note; the speaker corrects it. Swap roles. Then line B moves one seat.
4. Round 2 (2:00 each): new partner, shorter, fewer stars. Move. Round 3 (1:00 each), frames closed: keep only your card.

Card 2 · A family holiday

Card 4 · A trip abroad

SLIDE 12 Respond

Mr. Tan asks. Write a short answer to one of these.

1. What time did you get to the hotel in the end?
2. What did you do while you were waiting at the airport?
3. How did the meeting go the next morning?

Start with: **In the end, we got there at … · While we were waiting, we … · It went …, but …**

SLIDE 13 Transfer

At a family dinner, your cousin asks about a holiday or a day out that went wrong: a jam at the Causeway, a closed restaurant, rain at the beach. Tell it in order and say what you will do next time. No story of your own? Use these notes, not in order: home at 10 p.m. · last Saturday, a day out in Singapore with the kids · next time: leave before 7 a.m. · we were driving back when the jam started · 2 hours at the Causeway · snacks from the car boot.

Last …, we were … to … · While we were …, … · First, we … In the end, … · Next time, I'm going to …

SLIDE 14 Did I do it?

Be honest. Tick what you did in the task.

- [ ] Sets the scene first: when, where and who.
- [ ] Says what was going on when the problem came, then what they did, in an order the listener can write down.
- [ ] Says how it ended and one thing for next time, then hands over with a question.
