Say What You Think of a Service You Used

Express Opinion | OREO | Opinion Exchange

Name: _____ Date: _____

SLIDE 02 Today's goal

By the end of this lesson, I can:

Say what you think of a service you used, support it with one reason and one example from your visit, and say your opinion again at the end.

WHO	You work in a small company in Johor Bahru. Your colleague Kumar is also a good friend.
SITUATION	Last month you had a fever and went to the new clinic in Taman Molek. You booked a time for 6 p.m. online and saw the doctor at 6.15. You paid RM65 for the doctor and medicine, about RM10 more than the clinic near the office.
NEED	Kumar's mother needs to see a doctor this week. At lunch he asks you: "Is that new clinic any good?" He wants your honest opinion before he decides.
GOAL	Say what you think of the clinic, give one reason and one example from your visit, say your opinion again, and answer a simple question.

SLIDE 03 Try it first

Kumar asks: "You went to that new clinic in Taman Molek, right? Is it any good?" Say something for 30 seconds. Then note what you said.

SLIDE 04 A good message

Mei Ling's answer. Mark where each part starts.

Honestly, I think the new clinic in Taman Molek is very good. The main reason is that you wait much less than at other clinics. For example, last month I had a fever. I booked a time for 6 p.m. online, and I saw the doctor at 6.15. So overall, yes, I really think it's a good clinic.

SLIDE 05 Organise it

Ali tells Siti what he thinks of the new café. Put his sentences in order: Opinion → Reason → Example → Opinion.

- ☐ That's why I don't think it's worth it. I still eat at the mamak downstairs.
- ☐ This is because the plates are very small for the price.
- ☐ For instance, on Monday I paid RM22 for chicken rice, and I was hungry again by 3 p.m.
- ☐ In my opinion, the new café next to our office is not worth the money.

Write the letter: **O** = Opinion · **R** = Reason · **E** = Example · **O** = Opinion again

Tell your partner what you think of the service on your card. Your listener writes your opinion, reason and example, asks one question, then says if they will try it and why.

2. Listener: fill the note, ask one question (How much? When?), say if you will try it and why. Swap roles.
3. New partners (line B moves one seat). Round 2 (2:00 each): same card, same opinion, shorter.
4. New partners again. Round 3 (1:00 each), frames closed. Listener: no question; write good or not, and why.
