Help Someone Who Is Stuck Using an App or a Machine

Explain | Steps | Guided Walkthrough

Name: _____ Date: _____

SLIDE 02 Today's goal

By the end of this lesson, I can:

Find out where someone is stuck with an app or a machine, guide them one step at a time, and check each step until they reach the end.

WHO You work in a small company in JB. The company started a new claims app this month, and your colleague Kumar is using it for the first time.

SITUATION It is Friday, 4 p.m. Kumar is half-way through a claim for RM64.50: petrol for a customer visit in Pasir Gudang. He turns to you: 'It won't let me send it!'

NEED The claim must go in before 5 p.m. today, or Kumar waits a month for the money. He wants to learn the app, so guide him; don't take his phone.

GOAL Find out where Kumar is stuck, guide him one step at a time to 'Claim sent', and check that each step worked.

The claims app

- 1 New claim → 2 Travel → 3 Amount
- 4 Receipt (take a photo) → 5 Submit (green when ready)
- End: 'Claim sent' · a photo that is not clear is sent back

Kumar's claim

- Petrol, customer visit in Pasir Gudang: RM64.50
- Before 5 p.m. today → paid with this month's salary
- He is stuck half-way. Where? Ask him.

SLIDE 03 Try it first

Kumar asks: "Sorry, can you help me? I'm stuck in the claims app, and it has to go in before five!" Say something for 30 seconds. Then note what you said.

SLIDE 04 A good message

Mei Ling's answer. Mark where each part starts.

Okay, Kumar, don't worry. What can you see on the screen now? … Ah, so you're on the Receipt page, and the Submit button is still grey. First, tap the camera icon at the top and take a photo of your petrol receipt. Submit is grey because the app needs a receipt for every claim. Then tap 'Use photo'. Make sure everything is clear, for example the date and the RM64.50, so accounts can check it. Can you read them? Now is the Submit button green? Good, tap it. Do you see 'Claim sent'? Great. If it goes in before 5, you get the money this month.

1 WHERE ARE YOU? _____

2 NEXT STEP _____

3 THEN _____

4 CHECK _____

SLIDE 05 Organise it

Ali helps Siti scan a letter on the office copier. Order: Where are you? → Next step → Then → Check.

- [ ] Is the email in your inbox now? … Good. If it's not there in two minutes, check your spam folder.
- [ ] What does the small screen say, Siti? … Okay, so you're on 'Scan', but nothing is happening.
- [ ] First, press 'Scan to email' and choose your name from the list.

SLIDE 11 Guided Walkthrough

The helper finds out where the other person is stuck and guides them, one step at a time, to the end. The stuck person notes each step they hear and reads the steps back.

1. Round 1 (3:00): helper, say your card number. Stuck person: read it, choose A or B in secret. Helper: ask where, guide.
2. Stuck person: at the first step say 'I can't find it'; 'Done' only after a check. Fill in your note, then read back.
3. Round 2 (2:00): stuck people move one seat, new card, choose again. Shorter. Ask the helper 'Why?' once.
4. Round 3 (2:00): frames closed, helpers keep only the card. Swap roles: 3:00, then 2:00 frames closed.
