Explain Your Role to Someone Who Will Work With You

Explain | Role | Information Briefing

Name: _____ **Date:** _____

SLIDE 02 Today's goal

By the end of this lesson, I can:

Explain your role to someone who will work with you: your main duties, what to come to you for and who to ask for other things, with one example.

WHO	You and Mei Ling are the two accounts assistants in a small JB company that sells office furniture. Siti has just joined as the new HR and admin officer.
SITUATION	Staff often ask HR about their claims, so Siti will work with you every week. In June a driver sent an RM80 petrol claim on the 27th and waited more than a month for his money.
NEED	Your job: pay staff claims with the salary at the end of the month (in by the 25th: 3 days to check, then Mr. Tan signs); pay suppliers on the 15th. Not your job: log-in problems with the claims app (Ali); what staff can claim (Mr. Tan).
GOAL	Explain your role to Siti: your main duties, what to send to you and who to ask for other things, with one example. Check that she understood and answer her questions.

SLIDE 03 Try it first

Siti asks: "Hi! I think we'll work together a lot. So what do you do here, and when should I come to you?" Say something for 30 seconds. Then note what you said.

SLIDE 04 A good message

Mei Ling's answer. Mark where each part starts.

I'm one of the two accounts assistants here. Basically, I look after the money that goes out of the company. Claims have to come in by the 25th, because we need three days to check them. Then I pay them with the salary at the end of the month. I also pay suppliers on the 15th. For claim money, send staff to me. If they can't log in to the claims app, that's Ali. And if they ask what they can claim, that's Mr. Tan, not me. For example, in June a driver sent an RM80 petrol claim on the 27th, so he waited more than a month for his money. Does that make sense?

2 MAIN DUTIES

4 EXAMPLE

SLIDE 05 Organise it

Ali tells a new sales assistant what he does. Order: My role → Main duties → Who I work with → Example.

- ☐ I'm the only IT person here, so I look after all the computers, the Wi-Fi and the printers.
- ☐ For example, on Monday the Wi-Fi stopped at 9 a.m., and I fixed it in 20 minutes. Is that clear?
- ☐ Every morning I check the Wi-Fi, and I set up a laptop for every new person on their first day.
- ☐ For a password or a laptop problem, come to me. For a new phone or SIM card, talk to Siti, because she orders them.

Write the letter: **1** = My role · **2** = Main duties · **3** = Who I work with · **4** = Example

I **pay** the claims. Ali **looks** after the computers.

Claims **have to** come in by the 25th.

For claim money, **come to me**. **For** the app, **talk to** Ali.

Information Briefing

The speaker explains a role from mixed-up notes. The listener has three problems, writes each one next to the right person, and says the note back.

1. Speaker: one quiet minute. Mark your card 1–4: role, duties, who does what, example.
2. Round 1 (3:00): explain your role, not A, B, C. Then check. Listener: place A, B, C and say the note back.
3. Round 2 (2:00): the moving line moves one seat. Shorter, workbook turned over. Listener asks 'Why?' once. Then swap.
4. Swap, same seats: line B explains Card 3 or 4, rounds 1 and 2 again. Last round (1:00 each): your own real role.

Card 1 · Store supervisor, furniture company

Card 2 · Senior cashier, mini market

Card 3 · Treasurer, neighbourhood futsal team

Card 4 · Receptionist, dental clinic

SLIDE 12 Respond

Siti asks. Write a short answer to one of these.

1. If a claim comes in on the 27th, when is it paid?
2. Why do claims have to come in by the 25th?
3. Do you pay the suppliers at the end of the month too?

Start with: **At the end of next month, because … · Because … · No, … / Yes, …**

SLIDE 13 Transfer

Your cousin is coming to stay with your family for a month, or a new member joins your club or residents' group. Explain what you do there, what to come to you for and who to ask for other things, with one example.

At home, I'm the one who … · For …, come to me. · For …, ask … · For example, …

SLIDE 14 Did I do it?

Be honest. Tick what you did in the task.

- [ ] Says what their role is and gives one or two main duties.
- [ ] Says what to come to them for and who to ask for other things, so the listener puts each problem with the right person.
- [ ] Gives one real example and checks that the listener understood.
