Describe How Your Work or Company Has Changed

Narrate | PPF | Timeline Reconstruction

Name: _____ Date: _____

SLIDE 02 Today's goal

By the end of this lesson, I can:

Tell how something at work has changed: how it was before, how it is now and what is better, what comes next, and what is still open.

WHO You have worked in the office for five years. Kumar, from sales, worked in Singapore for two years and has just come back to his old job.

SITUATION It is Kumar's first week. He wants to take leave next month and asks you: "Do I still fill in the paper form?" In March last year, the office moved leave from paper forms to the HR app.

NEED Kumar needs the change in order: how it was before, how it is now and what is better, what changes in January, and what is still not sorted.

GOAL Tell the change in order (Past → Present → Future) with one clear difference, and say what is still open.

Before (until March last year)

- Paper form, handed in one week before
- Mr. Tan signed it: about three days
- Forms sometimes went missing

Now and next (the HR app)

- Apply at least two days before
- Answer usually the same day · no lost forms so far
- MC: paper to Siti now; from January, a photo in the app
- Still open: two part-time staff can't log in yet

SLIDE 03 Try it first

Kumar asks: “I want to take leave next month. Do I still fill in the paper form, like before?” Say something for 30 seconds. Then note what you said.

SLIDE 04 A good message

Siti’s answer. Mark where each part starts.

Until March last year, everyone in this office used to fill in a paper leave form. We handed it in a week before and waited about three days for Mr. Tan to sign it. Now we apply in the HR app at least two days before, and Mr. Tan answers on his phone, usually the same day. So far, we haven’t lost a single form. From January, we’re going to send our MCs in the app too. We’ll just take a photo, so nobody needs to bring the paper MC to my desk. One thing is still open: our two part-time staff have no company email, so they can’t log in yet. For now, I still take their paper forms.

SLIDE 05 Organise it

Ali tells a new staff member how IT help has changed: before → now → next → still open.

- [ ] Next month, I'm going to add a page with answers to the five most common problems.
- [ ] One thing is still open: printer problems still come by phone, so I need a way to record them.
- [ ] Two years ago, when a computer broke, people came to my desk or called me, and I often forgot the small jobs.
- [ ] Now everyone sends a request in the help form. So far, I've answered every request within two days.

Write the letter: **P** = Past · how it was before · **P** = Present · how it is now · **F** = Future · what comes next · **!** = Still open

SLIDE 08 Time control

Circle the right form. Why?

1. Before the app, we _____ fill in a paper form. (A habit in the past that has stopped)
   ○ use to ○ using to ○ used to

2. These days, Mr. Tan _____ leave requests on his phone. (How it is today)
   ○ answering ○ answer ○ answers

SLIDE 09 Before and now: used to · so far

For how things were before, use used to + verb (or Past Simple). For how things are now, use Present Simple. For the difference up to now, use so far + have / has + past participle.

Before, we **used to fill in** a paper form.

Mr. Tan **used to sign** every form. Now he **answers** on his phone.

These days, everyone **applies** in the app.

So far, we **haven't lost** a single form.

Timeline Reconstruction

The speaker tells how something changed, from a mixed-up card. The listener cannot see the card: they write the note (before → now → what is better → next), numbered in the order heard, read it back and ask two questions.

1. Round 1 (3:00). Speaker: your card is mixed up. Tell it in order: before → now → what is better → next.
2. Listener: no card. Fill in the note and number the lines 1–4 as you hear them. Read it back, then ask two questions.
3. Round 2 (2:00): listeners move one seat. Same change to a new listener, shorter. Listeners use the next column.
4. Round 3 (1:00), frames closed: speakers turn the workbook over, listeners write. Then swap roles: rounds 1–3 again.

SLIDE 12 Respond

Kumar asks. Write a short answer to one of these.

1. **Why did the office stop using the paper forms?**
2. **If I'm sick next week, where do I send my MC?**
3. **When will the part-time staff get the app?**

Start with: **Because …** · **Until January, you …** · **I'm not sure. I'll ask Siti and tell you by …**

SLIDE 13 Transfer

A friend who moved to KL ten years ago is back in JB for the holidays and asks how your area has changed. Tell them how it was before, how it is now, and what is coming next. No idea? Use this: ten years ago, one row of shops and a quiet road; now a big mall and a traffic jam at 6 p.m.; next year, a new flyover.

When you lived here, we used to … · **Now there's …** · **So far, …** · **Next year, they're going to …**

SLIDE 14 Did I do it?

Be honest. Tick what you did in the task.

- [ ] Says how things were before, when it changed, and how they are now, in that order.
- [ ] Names one difference the change made, with a number or an example.
- [ ] Says what comes next and one thing that is still open.
