Give Your Opinion on a Team Proposal

Express Opinion | OREO | Mini Talk + Questions

Name: _____ Date: _____

SLIDE 02 Today's goal

By the end of this lesson, I can:

Give your view on a team proposal with one reason, one example and what will change, and answer a concern politely.

WHO You work in a small company in Johor Bahru. Your team of eight has a one-hour meeting every Monday, from 9 to 10 a.m.

SITUATION The team has proposed moving the weekly meeting to Wednesday, from 2 to 3 p.m. Nothing is decided yet. Mr. Tan will decide on Friday.

NEED At this week's meeting, Mr. Tan asks everyone: "What do you think?" He wants a clear view, and he raises one concern.

GOAL Give your view (for or against), one reason, one example and what will change. Then answer his concern politely and keep your view.

Now · Monday, 9 to 10 a.m.

- Everyone is in the office
- The week is planned first thing
- The busiest morning: Kumar misses about six calls

Proposal · Wednesday, 2 to 3 p.m.

- Fewer calls after lunch
- Some people feel sleepy after lunch
- Staff on customer visits may be late

SLIDE 03 Try it first

Mr. Tan asks: "The team wants to move our Monday meeting to Wednesday afternoon. Nothing's decided yet. What do you think?" Say something for 30 seconds. Then note what you said.

SLIDE 04 A good message

Kumar's answer. Mark where each part starts.

I think moving our weekly meeting to Wednesday at 2 p.m. is a good idea. The main reason is that Monday morning is our busiest time. That's when customers call to place their orders for the week. For example, the meeting runs from 9 to 10, and I usually miss about six calls. If we move it, I won't miss those calls. I know some people like to plan the week on Monday, but we can share the plan by email on Monday morning. So I still think Wednesday is better.

O VIEW

R REASON

E EXAMPLE · WHAT WILL CHANGE

O VIEW AGAIN

SLIDE 05 Organise it

Another proposal: lunch for everyone from 1 to 2. Put Ali's view in order: O → R → E → O.

- [ ] That's why I'd keep lunch in two groups, like now.
- [ ] I'm not sure one lunch hour for everyone is a good idea.
- [ ] This is because lunchtime is a busy time for customer calls.
- [ ] For instance, we usually get about ten calls between 1 and 2. If we all go at 1, nobody will answer them.

Write the letter: **O** = View · **R** = Reason · **E** = Example · what will change · **O** = View again

SLIDE 06 Useful language

Tick the expressions you used today.

GIVE YOUR VIEW

- [ ] I think it's a good idea to …
- [ ] I'm not sure it's a good idea to …
- [ ] In my opinion, …
- [ ] I'd support it if …

GIVE A REASON

- [ ] I understand. Maybe we could …

SLIDE 07 Connect the ideas

Choose the connector and write the new sentence.

1. Monday morning is our busiest time. [because / so / but] We miss a lot of calls in the meeting.

2. Wednesday afternoon is quieter. [for example, / but / so] Staff on customer visits may be late.

3. I think Wednesday is better. [so / because / but] Fewer people will need to leave the room to answer the phone.

4. Someone is with a customer at 2. [For example, / because / If …] They can join by video call.

SLIDE 08 Time control

Circle the right form. Why?

1. Monday morning _____ our busiest time. (A fact about now)
   ○ be ○ is ○ being
2. In the meeting, I usually _____ about six calls. (A routine)
   ○ misses ○ miss ○ missing
3. If we move the meeting, I _____ those calls. (What will change)
   ○ not miss ○ won't miss ○ don't missing
4. Two p.m. _____ be a sleepy time for some people. (Possible, not certain)
   ○ might ○ is ○ are

SLIDE 09 will · might · if · comparing

A proposal is about the future. Say what will change with will, what is possible with might, and add a condition with if.

If we move the meeting, customers **will** get an answer faster.

Staff on customer visits **might** be late.

I'd support it **if** people can join by video call.

Wednesday afternoon is **quieter than** Monday morning.

SLIDE 11 Mini Talk + Questions

The speaker gives a one-minute view on a proposal. The listener fills the note, asks what will change and gives the other side. The speaker acknowledges it and answers.

1. Round 1 (3:00): say your card number. Give a one-minute talk: O → R → E → O. Look up, don't read the card.
2. Listener: fill the note, ask 'What will change?', then give the other side. Speaker: acknowledge it, answer.
3. Round 2 (2:00): listeners move one seat. Same card, new listener, shorter. Listener: note, then the other side.
4. Round 3 (1:00), frames closed: listeners move. Put the other side in your ending: 'I know …, but …'. Then swap.

Card 1 · Claims in an app

Card 2 · Open on Saturday mornings

Card 3 · No messages after 8 p.m.

SLIDE 12 Respond

Mr. Tan asks. Write a short answer to one of these.

1. Some people feel sleepy after lunch. Is 2 p.m. really a good time?
2. Staff on customer visits may be late on Wednesday. What then?
3. Kumar misses about six calls every Monday. Isn't that a problem?

Start with: **I see your point, but … · That's true. However, … · I understand. Maybe we could …**

SLIDE 13 Transfer

Your condo committee proposes raising the monthly fee by RM30 to pay for a night security guard. Now there is a guard only in the day, and last month two motorbikes were stolen at night. Nothing is decided yet; they ask every owner. What do you think? Give a reason, an example and what will change.

I think it's a good idea to … · The main reason is that … · For example, … · If we do this, …

SLIDE 14 Did I do it?

Be honest. Tick what you did in the task.

- [ ] States a view on the proposal at the start and again at the end.
- [ ] Supports it with one reason and one example, and says what will change.
- [ ] Acknowledges another view and answers it in one or two sentences.

Listener cards: fold or cut

Only the listener looks at a card. It says what to find out and write in the note.

Card 1 · Claims in an app

You are Mr. Tan. Ask for their view, fill the note, ask what will change. Then give the other side. If yes: 'Two of our drivers never use apps.' If no: 'Checking claims by hand takes a whole day.'

Card 2 · Open on Saturday mornings

You are Mr. Tan. Ask for their view, fill the note, ask what will change. Then give the other side. If yes: 'Some of us go to our hometown on Saturdays.' If no: 'Customers work on weekdays too.'

Card 3 · No messages after 8 p.m.

You are Kumar. Ask for their view, fill the note, ask what will change. Then give the other side. If yes: 'But I plan tomorrow's jobs with the team at night.' If no: 'My phone buzzes until midnight.'

Card 4 · A fingerprint machine

You are Mei Ling. Ask for their view, fill the note, ask what will change. Then give the other side. If yes: 'Some staff will feel watched.' If no: 'Last month two people signed in for a friend.'

SLIDE 11

Speaker cards: fold or cut

Only the speaker looks at a card. The listener keeps this page folded.

Card 1 · Claims in an app

Proposal: expense claims in a phone app, not on paper. The app costs RM10 a person a month. Now: paper forms with the receipts stapled on, in by the 25th. About three receipts get lost every month. App: a photo of each receipt.

Card 2 · Open on Saturday mornings

Proposal: the office opens on Saturdays, 9 to 1, with only two people each Saturday. Now: closed at weekends. About five customers a week ask to come on a Saturday. Each person works one Saturday a month, then gets a half day off.

Card 3 · No messages after 8 p.m.

Proposal: no work messages after 8 p.m. or on Sundays, only emergencies. Some customers send orders at night and want an answer by 9 a.m. Now: the team group gets about 30 messages a night after 8.

Card 4 · A fingerprint machine

Proposal: a fingerprint machine at the door records start times, not a paper sheet. Now: staff sign a sheet, and some forget. The machine costs RM900. Checking the sheet takes admin about three hours a month.
