Say What Makes a Good Manager (or Colleague)

Express Opinion | OREO | Mini Talk + Questions

Name: _____ Date: _____

SLIDE 02 Today's goal

By the end of this lesson, I can:

Give a short talk on what makes a good manager or colleague: one quality, one reason, one real example, the quality again, and answer simple questions.

WHO	You work in a small company in Johor Bahru.
SITUATION	From next month, the six people who handle orders and deliveries will be one team with a team leader. Mr. Tan will choose the leader from inside the company.
NEED	At Friday's meeting, Mr. Tan asks everyone: "In one minute, what makes a good team leader?" He wants one quality, not a long list, and a real example. Then he asks a question or two.
GOAL	Give a one-minute talk: one quality, one reason, one real example and the quality again. Then answer simple questions in one or two sentences.

SLIDE 03 Try it first

Mr. Tan asks: "The new orders team needs a leader. So tell me: what makes a good team leader?" Say something for 30 seconds. Then note what you said.

SLIDE 04 A good message

Kumar's answer. Mark where each part starts.

In my opinion, a good team leader is someone who listens first. The main reason is that the people who do the work usually see the problems first. For example, my friend's team leader in Senai meets her team of eight at 8.45 every morning. She asks, 'Any problems today?', so they fix small problems before lunch. So for me, a leader who listens is what our new team needs.

SLIDE 05 Organise it

Siti is writing a welcome guide for new staff. Put her view in order: Opinion → Reason → Example → Opinion.

- [ ] That's why sharing is the most important thing for me.
- [ ] I think a good colleague is someone who shares what they know.
- [ ] This is because new people learn much faster with help.
- [ ] For instance, Ali spends twenty minutes with every new person on day one to show them our systems.

Write the letter: **O** = Opinion · **R** = Reason · **E** = Example · **O** = Opinion again

SLIDE 11 Mini Talk + Questions

Give a one-minute talk from your card: one quality, why, a real example, the quality again. Your listener fills the note and asks two questions. You answer.

1. Quiet time (2:00): read your card. Choose ONE quality. Plan why it matters and the example (who, what, how often).
2. Round 1 (3:00 each): one-minute talk, O → R → E → O. The listener fills the note, then asks two questions. Swap roles.
3. Line B moves up one seat. Round 2 (2:00 each): same card, new listener, shorter. Swap roles.
4. Line B moves up one seat again. Round 3 (1:00 each), frames closed: workbook turned over, 40-second talk, one question.

Card 1 · A leader for the annual dinner

Card 2 · A trainer for new staff

Card 3 · A friend's first team
