Hand Over: Tell a Colleague What Happened and What Is Still Open

Narrate | PPF | Timeline Reconstruction

Name: _____ Date: _____

SLIDE 02 Today's goal

By the end of this lesson, I can:

Before going on leave, tell a colleague what is done, where it is now, what they must do and when, what is still open, and answer one worry.

WHO	You work in sales. Two weeks ago, a travel agency in Taman Pelangi ordered 300 desk calendars with its logo from you, as New Year gifts for its customers.
SITUATION	It is Wednesday afternoon. From tomorrow you are on annual leave (Thursday to Tuesday), and you are back next Wednesday. Siti will look after the order while you are away. She has never worked on it.
NEED	Siti needs it in order: done (sample approved last Friday; half paid, RM1,350), now (Ace Print is printing), next (six boxes on Monday, check a few; our driver takes them on Tuesday morning), still open (50 more? Tell Ace Print by Friday).
GOAL	Hand over in order (Past → Present → Future → still open) and answer one worry from Siti in one or two sentences.

SLIDE 03 Try it first

Siti asks: "So you're on leave from tomorrow. Can you tell me about the calendar order before you go?" Say something for 30 seconds. Then note what you said.

SLIDE 04 A good message

Kumar's answer. Mark where each part starts.

This is the travel agency order in Taman Pelangi. Two weeks ago, they ordered 300 desk calendars with their logo, and last Friday they approved the sample. At the moment, Ace Print is printing them. So far there haven't been any problems, and the agency has already paid half, RM1,350. On Monday, Ace Print is going to deliver six boxes here. Please check a few calendars. On Tuesday morning, our driver will take the boxes to the agency. One thing is still open: they may order 50 more. If they call you by Friday, please tell Ace Print the same day. After Friday, it's too late.

P PAST · WHAT IS DONE

P PRESENT · WHERE IT IS NOW

F FUTURE · WHAT YOU MUST DO

! STILL OPEN · WHAT TO WATCH

SLIDE 05 Organise it

Mei Ling is back from leave. Siti tells her what happened with the pantry water filter.

- ☐ One thing to watch: they say the filter is old. If it breaks again, we may need a new one.
- ☐ Right now, it's working again, but their bill for RM180 is still on your desk.
- ☐ They want the money by Friday, so please pay it this week.
- ☐ Last Tuesday, the water filter in the pantry broke, so I called the service company, and they came the next day.

Write the letter: **P** = Past · what is done · **P** = Present · where it is now · **F** = Future · what you must do · **!** = Still open · what to watch

Timeline Reconstruction

The speaker hands over work from a mixed-up card. The listener will cover it: they write the handover note in order, then say one worry, and the speaker answers it.

1. Round 1 (3:00): say your card number, or 'my own work'. Hand over in order: done → now → you must, when → still open.
2. Listener: fill in the note, number the lines as you hear them, read 'I must' back. Then say worry A.
3. Speaker: 'I see …', then 1–2 sentences. Round 2 (2:00): listeners move one seat. Same card, shorter; worry B.
4. Round 3 (1:00), frames closed: speakers turn the workbook over; listeners write 'I must' only. Then swap roles.

SLIDE 12 Respond

Siti asks. Write a short answer to one of these.

1. I have a dentist appointment on Monday morning. What if Ace Print comes then?
2. What if the agency calls about the extra 50 on Monday?
3. What do I do if some calendars have the wrong logo?

Start with: **I see. In that case, … · Good question. If that happens, please … · Don't worry. I'll … tonight.**

SLIDE 13 Transfer

You are going to Penang for three days. Your neighbour will feed your cat. Hand over: what you have done, what she must do and when, and one thing to watch. No idea? Use this: food in the kitchen cupboard, one cup at 8 a.m. and at 6 p.m.; fresh water every day; keep the balcony door closed.

I've already bought … · Right now, the cat … · Every morning, please … · One thing to watch: if …, please …

SLIDE 14 Did I do it?
