Explain What Was Decided to Someone Who Missed the Meeting

Explain | PPF | Information Briefing

Name: _____ Date: _____

SLIDE 02 Today's goal

By the end of this lesson, I can:

Tell a colleague who missed a meeting what was decided and why, what it means now, what they need to do and by when, and what is still open.

WHO You work in a small company in JB. On Monday morning Kumar, from sales, was with a customer in Kluang, so he missed the weekly team meeting.

SITUATION At the meeting the team decided: from next Monday, every customer message on the sales phone gets a reply within two hours, because 15 customers complained about slow replies last month. It is Wednesday.

NEED Kumar asks what he missed. He and Siti now take turns with the sales phone: he has it on Tuesdays and Thursdays, Siti on the other days. He takes it from Siti at 9 a.m. next Tuesday and must read the new reply list by Friday.

GOAL Tell Kumar what was decided and why, what it means now, what he needs to do and by when, and what is still open: who answers at lunch (1 to 2). Mr. Tan will decide by Friday.

Decided on Monday

- Every customer message on the sales phone: a reply within two hours
- Why: 15 customers complained about slow replies last month
- Starts next Monday

For Kumar

- Sales phone: Kumar on Tuesdays and Thursdays, Siti on Mondays, Wednesdays and Fridays
- Take the phone from Siti: next Tuesday, 9 a.m.
- Read the new reply list (Siti emailed it on Tuesday) by Friday
- Not decided: who answers at lunch, 1 to 2 (Mr. Tan, by Friday)

SLIDE 03

Try it first

Kumar asks: “Hi! I was with a customer in Kluang on Monday, so I missed the team meeting. What did I miss?” Say something for 30 seconds. Then note what you said.

SLIDE 04

A good message

Mei Ling’s answer. Mark where each part starts.

Kumar, on Monday we decided to reply to every customer message on the sales phone within two hours. We decided this because 15 customers complained last month. So from next Monday, you and Siti take turns with the sales phone: you on Tuesdays and Thursdays, Siti on the other days. For example, next Tuesday is your day. What you need to do: take the phone from Siti at 9 a.m. next Tuesday. Before that, please read the new reply list by Friday. Siti emailed it yesterday. One thing is still open: who answers at lunch, from 1 to 2. Mr. Tan will decide by Friday, and I'll tell you. Is that clear?

SLIDE 05 Organise it

Ali tells Mei Ling what the IT meeting decided. Order: decided → now → you need to → still open.

- [ ] You need to move your invoice folders from your laptop to the shared drive by next Wednesday.
- [ ] So now the shared drive makes a copy of every file at 11 p.m. every night.
- [ ] Files from last year aren't decided yet. Mr. Tan will tell us next week. Shall I say that again?
- [ ] On Thursday we decided to keep all files on the shared drive, because a laptop broke in May and we lost two weeks of work.

Write the letter: **P** = What was decided · **P** = What it means now · **F** = What you need to do · **!** = Still open

Information Briefing

The listener missed the meeting. The speaker tells what was decided and why, what it means, what the listener must do by when, and what is still open. The listener fills the meeting note.

1. Round 1 (3:00). Speaker: say your card number. The card is mixed up: say decided and why → now → you must → still open.
2. Listener: fill the note. Ask 'What do I need to do, and by when?' A line empty? Ask 'Why?' Read the note back in order.
3. Round 2 (2:00): listeners move up one seat. Same card to a new listener, shorter. Listeners use the next column.
4. Round 3 (1:00), frames closed: speakers turn the workbook over. New listener. Then swap roles, rounds 1–3 again.

SLIDE 13 Transfer

Your neighbour missed the residents' meeting at your condo. It was decided: the swimming pool closes from 1 to 15 March, because there is a leak. Every unit pays RM50 for the repairs by 28 February. Not decided yet: the gym may close too; the management will say next week. Explain it to your neighbour.

At the meeting, we decided … · **This is because …** · **So you need to … by …** · **One thing isn't decided yet: …**

SLIDE 14 Did I do it?

- [ ] Says what was decided, with one reason.
- [ ] Says what the listener needs to do and by when; the listener's note has it right.
- [ ] Says clearly what is not decided yet, and when the listener will hear.
