Say Which Kind of Holiday Suits You and Why

Express Opinion | OREO | Choose & Defend

Name: _____ Date: _____

SLIDE 02 Today's goal

By the end of this lesson, I can:

Say which kind of holiday suits you, give one reason and one example, and compare it with one other kind of holiday.

WHO You work in a small company in Johor Bahru. It is Thursday, and you are having lunch with Siti, Kumar and Ali at the mamak near the office.

SITUATION Monday is a public holiday, so there is a long weekend: three days, two nights. Everyone is talking about where to go: a city, a beach, a road trip or a tour group.

NEED Siti turns to you: 'Which kind of holiday suits you?' Then Mr. Tan sits down with his lunch and asks you a few questions about your choice.

GOAL Say which kind of holiday suits you, give one reason and one example, compare it with one other kind, and answer Mr. Tan's simple questions.

City or beach

- KL: 4 hours' drive each way · hotel RM200 a night · malls and food
- Desaru: 90 minutes' drive · chalet RM250 a night · quiet beach, swimming

Road trip or tour group

- Road trip up the coast (Muar, Melaka): about 3 hours to Melaka, stop where you like · petrol, tolls and 2 nights about RM450
- Bus tour to Cameron Highlands: RM400 a person for 3 days · hotel and guide included · about 9 hours each way

SLIDE 03 Try it first

Siti asks: “The long weekend is coming! City, beach, road trip or tour group: which kind of holiday suits you?” Say something for 30 seconds. Then note what you said.

SLIDE 04 A good message

Kumar’s answer. Mark where each part starts.

> Personally, I think a beach holiday suits me better than a city trip. The main reason is that I want to rest on a long weekend, and a quiet beach is more relaxing than a busy city. For example, Desaru is only 90 minutes from JB, so I can swim before lunch. A trip to KL usually means four hours in the car each way. So for me, the beach is the better choice for three short days.

SLIDE 05 Organise it

Ali tells Kumar how his family likes to travel in the school holidays. Put his sentences in OREO order.

- [ ] In my opinion, a road trip is better than a tour group for my family.
- [ ] This is because we can stop whenever the kids are hungry or tired.
- [ ] That’s why a road trip suits us more than a tour.
- [ ] For instance, the drive to Melaka takes three hours, and we always stop in Muar for mee bandung.

Write the letter: **O** = Opinion · **R** = Reason · **E** = Example · **O** = Opinion again

SLIDE 07 Connect the ideas

Choose the connector and write the new sentence.

1. I like the beach. [so / but / because] It is quiet and relaxing.

2. KL has great food and shopping. [but / because / so] The drive takes four hours each way.

3. The tour group books the bus, the hotel and the guide. [so / for example, / but] I don't need to plan anything.

4. A tour group can be cheap. [So / But / For example,] the Cameron Highlands tour is only RM400 for three days.

SLIDE 08 Time control

Circle the right form. Why?

1. A beach holiday _____ me better than a city trip. (An opinion about now)
   - ○ suits
   - ○ suiting
   - ○ suit
2. The drive to KL usually _____ about four hours. (A fact that is true every time)

A hotel in KL is **cheaper than** a chalet in Desaru.

A beach holiday is **more relaxing than** a city trip.

For me, the beach is **better than** the city.

Choose & Defend

Choose one of the two holidays on your card and say why. Your listener writes your choice, what it is better than, your reason and your example, says it back, then asks one question.

1. Quiet time (2:00): read your card. Choose ONE holiday. Plan one reason and find one fact for your example.
2. Round 1 (3:00 each): listener asks the card's question. Speaker: O → R → E → O. Listener fills the note.
3. Listener: say it back ("So you prefer … because …"), then ask one question. Swap roles. Line B moves one seat.
4. Round 2 (2:00 each): same card, shorter. Move again. Round 3 (1:00 each), frames closed: note the choice only.

Card 1 · School holidays: theme park or kampung

Card 2 · Two days away: Singapore or Melaka

Card 3 · Island or staycation

Card 4 · Camping or a resort

Siti is planning a one-day company trip for 20 staff and asks everyone: a beach day in Desaru (90 minutes by bus) or a food walk in Melaka (3 hours by bus)? Which one do you prefer? Give a reason and an example.

For me, … is better than … · The main reason is that … · For example, … · So for me, …

SLIDE 14 Did I do it?
